reduce · reuse · recycle · restore · rebuy

To celebrate Texas Recycles Day, we're inviting students in grades 6-12 to create wearable art out of recyclable materials.

1. All entries must address the theme, "Trashy Trends." Winners will be selected on the basis of originality, artistic merit, relevance to theme, and adherence to rules.
2. Students or student groups are limited to one entry.
3. Artwork must be made from recycled materials. Any recyclable material is acceptable with the exception of glass. All materials used in the artwork must be clean and safe (no dirty containers, no sharp edges, etc.). Any of the following may also be used secondarily: hot glue, tape, water-based glue or epoxy, nails, tacks, wire, string, and paint. Judges will disqualify artwork if it does not meet the criteria of recycled art. All accessories must be made from recyclable materials.

5. **Artwork must be delivered between 4pm and 7pm on Tuesday, November 1, 2005, to the Episcopal Day School, 34 North Coria, Brownsville, TX. No art will be accepted at any other time.**
